

Animal Adoption Form (owner copy - 020610)

Thank you for adopting an animal from FURRY FRIENDS ANIMAL SHELTER. All Furry Friends cats have at least one set of vaccinations (Feline Rhinotracheitis, Calici Virus, and Panleukopenia) and have been treated for fleas, earmites and parasites. Kittens require vaccinations at 4-6 week intervals. All animals must have a rabies shot by 4 months. All cats over 6 months old have been spayed / neutered or will receive a voucher. Kittens under 6 months old will receive a spay / neuter voucher valid for 6 months from the date of adoption redeemable at participating local veterinarians.

You must comply with the following:

- Have verifiable consent of your landlord / property owner of where the animal is going to live.
- Know that this information will be held in the shelter office and be retained for follow-up.
- Understand that the shelter / adoption representative has full authority to deny your application.
- Be prepared to take your pet with you if you move.
- In the event that you are no longer able to keep the animal, Furry Friends will assist you in finding a new home or reclaim the animal depending on the availability of space.

I understand that Furry Friends Animal Shelter has taken precautions, but cannot guarantee the health or disposition of the animal I am adopting and, therefore, I understand and accept the risk and absolve the Furry Friends Animal Shelter and all employees / volunteers from all responsibility should the animal become ill.

I understand that if I am adopting an unaltered kitten/cat, I will ensure that this animal gets neutered/spayed at the appropriate time, (see spay/neuter info provided) as well as understanding that the voucher that Furry Friends has provided me, covers **partial** costs only, of the spay/neuter procedure.

I have read and understood that Furry Friends Animal Shelter representatives and/or their agents may come to my home and recover an animal that is seen to be in an unsuitable environment or situation.

I have read and understood this adoption form and certify that the information provided is true and correct. I will take full responsibility for the pet's health and will discuss this with a veterinarian of my choice. I also release Furry Friends Animal Shelter from all responsibility from this time forward.

Furry Friends Animal Shelter – Animal Adoption Form

Disclaimer

**** CAT AND KITTEN RETURN AND REFUND POLICY ****

After 48 hours, Furry Friends Animal Shelter will **not** be responsible for any reason if your cat or kitten becomes sick. **You must activate** the Pet Plan Insurance we provide immediately to be insured after the initial 48 hours. Should the animal become ill within the first 48 hours, **you must call** Furry Friends Animal Shelter or the Adoption Centre so that we can provide the proper medical care.

I understand that I have to activate my insurance today to be covered after 48 hours. I also understand that if I delay in activating the insurance, I will be responsible for all medical expenses.

Tell us your story!

If you'd like to share a "happy tale" about your new furry friend, email your story (and pictures too) to happytales@furryfriendsshelter.org. We'll post them on the Happy Tales page of our website: www.furryfriendsshelter.org.
